

Oxon Ideal Green Home Show

6-9pm Oxford Town Hall

17TH APRIL 2008

Find the advice, products and installers to transform your home. Speak to suppliers and service providers for eco-renovation, energy efficiency and renewable energy: **6-9pm**

Learn from people who have eco-renovated their homes. Presentations and case studies showing how local people have achieved up to 80 % reduction in home energy consumption. Presentations from **6.15 – 7pm and 8.15 – 9pm**

Link with others who want to take the next step with eco-renovation. Meet people in your area interested in eco-renovating their homes, share experiences and info: **7-8pm**

FOR FURTHER INFO VISIT WWW.ECOVATION.ORG.UK
